JASON MORALES

Paterson, NJ, 07513 | (973)-405-0736 | jdm22@njit.edu

OBJECTIVE

Seeking a front-end developer Internship role to further expand my learning and better reinforce the skills learned within my class curriculum.

EDUCATION

New Jersey Institute of Technology – Newark, NJ – B.S Computer Science   Sep 2020 - Dec 2023
GPA: 3.4

Passaic County Community College – Paterson, NJ – A.S. Business Administration   Sep 2017 – May 2020
GPA: 3.8

PROJECTS

Personal Website   December 2022
– Tools Used: HTML, CSS, Javascript

A personal website used to showcase my personal projects, a bit about me (bio) and how to contact me.

Pacman Pathfinder   August 2021
– Tools used: Python
– Used Python to analyze the pathing of the classic Pacman game, implementing the searching algorithms of depth-first search, breadth-first search, and A* search. Learned about the efficiency of A*.

EXPERIENCE

LEGO Robotics Instructor, HobbyQuest – Multiple locations, NJ   Feb 2022 – Present
– Plans and teaches programming courses in: Lego Robotics and Drones for grades 2 - 6 using M.I.T's Scratch platform and iPad hardware
– Develops content to supplement and facilitate student learning while adhering to curriculum standards
– Oversees hands-on learning and manages classroom behavior by enforcing rules and implementing safety procedures
– Trains incoming assistant professors

Shift Supervisor/Pharmacy Technician, CVS Health – Elmwood Park, NJ   July 2021 – April 2022
– Supervises the store's crew through assigning, directing, and following up of all activities
– Handles all customer relations issues in accordance with company policy and promotes a positive shopping experience for all CVS customers
– Responsible for thorough and accurate preparation, packaging, and labeling of medication.
– Utilized RxConnect software to manage patient data (data entry)
– Engaged with over 80 customers every shift while resolving insurance issues at checkout.

LEADERSHIP

Phi Theta Kappa Honor Society (PTK) - Paterson, NJ
Vice President   May 2019 – May 2020
• Led a team of eight to develop meaningful projects for members within the community student body to gain skills in areas of leadership, scholarship, service, and fellowship.
• Collaborated with the Public Relations Officer on the marketing of events through social media promotion/flyer design and distribution.
• Partnered with Passaic County Community College's Graphic Design Department to develop marketing materials for the Honor Society's Regional Office Candidate.
• Worked with the President to develop agendas for running officer meetings.

Events and Projects:

• Middle States Regional Leadership Conference
• College Project: Educational Video Development
• Honors in Action : Artifact Museum
• Creation of Food Pantry
